

# CELLAR SWEEP

*While looking through our extensive Wine Cellar we discovered some truly delicious Wines that have for one reason or another been overlooked, misplaced, forsaken, forgotten or otherwise just plain ignored. Though they are all sad stories we have decided to make them available at a discounted price for a limited time. Please take the opportunity to drink some gems from our temperature-controlled cellar. Enjoy them now. When they are gone, they are gone....*

*They are marked from 20 to 55 percent off the Wine List price. Feel free to go up and choose the one you would like to be served and we will gladly do so.*

*Wines must be opened at the Barley Neck Inn but if you fail to finish your selection or simply decide to enjoy the remaining glass(s) at home we are happy to recork your bottle so you may enjoy it later.*
